Introduction

- Located in Culver City, California
- Website: www.wlac.edu
• Enrollment decreased sharply after 1980 and has fluctuated and been on a slight increase since 2006
The age groups under 20, 20-24, 25-34 and 35+ have increased since 2006.
The majority of students at WLAC are U.S. citizens
The number of Blacks at WLAC has slightly declined while the Hispanic group has increased significantly.
Since 1980, females are the largest proportion of students at WLAC
Demographics Characteristics

% Enrolled by Home Language: Fall 1993 - 2010

- Since 1993, English speakers are the largest proportion of students
The number of U.S. high school graduates at WLAC has fluctuated since 1990 while the other groups have relatively remained the same.
Transfers

# Enrolled by Educational Goal: Fall 1983 - 2010

- The number of students who expressed interest in transferring has increased since 2005.
Since 1981, more students transfer to a CSU than a UC
Transfers

# of Transfer Students to CSU by Ethnicity: 2000 - 2009

- The majority of students who transfer to a CSU are Black
Between 2000 to 2004, the majority of students who transfer to a UC were Black; from 2005 to 2009, the majority were Hispanic.
## Financial Aid

### # of Full-Time Students Receiving Financial Aid

#### 2007-2008 Academic Year

- Approximately 65% of students receive some form of financial aid
Math Sequence

BEGINNING LEVEL

MATH 105
Principles of Mathematics for College Students

MATH 110 (5 Units)
OR
MATH 112 (3 Units)
Pre-Algebra

MATH 115
Elementary Algebra
The equivalent of first-year high school algebra

MATH 125
OR
MATH 127 & MATH 128
Intermediate Algebra
The equivalent of second-year high school algebra

MATH 125 OR MATH 128
Required for AA degree and to go on to 200 level math

MATH 215
Statistics
For prospective elementary school teachers and those, such as music, P.E. or English majors, who need one math class.
UC:CSU

MATH 227
College Algebra
For business or social science majors. Usually required for psychology and sociology majors.
UC:CSU

MATH 245
Transfer to CSU
Note: Math 125 and Math 241 transfer to CSU (though not to UC) as units only. They will not meet the math requirements for a B.A.

MATH 241
Trigonometry

MATH 260
Introduction to Analysis
For those preparing to take the Calculus Sequence.
UC:CSU

MATH 261
Calculus I
UC:CSU

MATH 262
Calculus II
UC:CSU

MATH 263
Calculus III
UC:CSU

MATH 270
Linear Algebra
May be taken concurrently with Math 263.
UC:CSU

MATH 275
Ordinary Differential Equations
May be taken concurrently with Math 263.
UC:CSU
